Inclement Weather

During storms or poor weather the general policy will be to conduct school. All bus routes may not operate. Students who miss school because of inclement weather will be allowed to make up work, per building policy. In the event of severe storms or emergencies which would require school closing, announcements will be made over local radio and TV stations as early as possible. The School Messenger parent/staff communications system will also be activated in an effort to make sure all students, families and staff members are kept informed. Be sure we have your most current phone numbers to ensure notification. In extreme situations rural parents should have prior arrangements for their children to stay in town.
