

Spearfish School District 40-2
3000 Business and Non-Instructional Operations

Board Policy

Code: 3900

AUTOMATIC EXTERNAL DEFIBRILLATORS

It is the intent of the Spearfish School Board to have Automatic External Defibrillators present and functional on the premises of the school district for use in emergency situations by individuals specifically trained in the application of such devices.

Maintenance and testing of the AEDs shall be done as recommended by the manufacturer under the direction of the Director of Buildings and Grounds. Documentation of the maintenance and testing shall be stored at each AED location.

Training in CPR and AED will be done according to the American Heart Association curriculum, and coordinated by the office of the School Nurse, who will also maintain records of such training.
