

CORN SHUCKING

When: September 7, 2017

Where: Spearfish Middle School & Creekside Elementary

Each year Lunchtime Solutions, Inc. has a monthly Farmer's Market item on the menu. One of those items this year is Sweet Corn or Corn on the Cob. This year Coree Walker, the Spearfish Food Service Director for Lunchtime Solutions, decided to have some fun with the kids with the help Don Lyon and Dan Olson, the building principals. On September 7, 2017 students will be helping the kitchen staff shuck the corn for their meal on the 8th.
