

Moodle Frequently Asked Questions

1. **How do I access Moodle?**

You can access Moodle via this link: <http://moodle.spearfish.k12.sd.us/moodle/login/index.php> Or you can find the link on our school website under Quick Links. Be sure to bookmark it.

2. **Do I need an account to login to Moodle?**

Your Moodle account is automatically created the very first time you login. To login to Moodle, use your same username/password you use to access your school computer.

3. **How do I setup a class in Moodle?**

Only Moodle admin have the ability to create new courses in Moodle. Please contact the help desk and we can create a new course for you.

4. **Can I setup more than 1 course?**

Yes, you can have as many courses as you need.

5. **Can I use 1 course if I have multiple blocks taking that same course?**

Yes. If you have multiple blocks of students taking the same course, you can use what are called Groups in Moodle to separate each block of students in the same course.

6. **How do I enroll students into my course?**

There are 2 different methods of enrolling students. One is manually enrolling students by searching for them by name. Another is using self-enrollment where the students enter a passcode and are then enrolled in your course. Follow this [guide](#) if interested in setting up self-enrollment.

7. **Is there support for Moodle?**

Yes, please contact the help desk if you have any questions regarding Moodle.

8. **Are there any tutorials and resources to access to learn more about Moodle?**

Yes, there are a few tutorials on the help desk website located here:

http://spearfish.k12.sd.us/District/Technology_Department/HelpDesk/HelpDesk.html

Also, Moodle has their own YouTube channel with videos covering various topics from beginner level activities to more advanced topics: https://www.youtube.com/channel/UCOVaN2BsHmTHUtE5LbIVR_w/videos
